COMPÉTITION MONDIALE DES MÉTIERS DES PERSONNES EN SITUATION DE HANDICAP

10^e INTERNATIONAUX ABILYMPICS : LA FRANCE REMPORTE 29 MEDAILLES !

Brice médaillé d'or et d'excellence en Boulangerie, Sylvaine et Célia respectivement en Or et Argent en Art floral, Morgane/Mikaël en Or et Marie/Sophie en Argent en Cuisine en Duo, Dimitri en Or et Yannick en Bronze en Jardinier-Paysagiste, Maël en Bronze en Webdesign, Delphine aussi en Pâtisserie, Cloé en Or en Couture, Jaime en Argent juste derrière la Corée qu'il redoutait tant...

La France empoche 29 médailles et se hisse à la 2^e place de ces 10^e Internationaux Abilympics derrière la Corée du Sud (31) et devant Taiwan/Taipei chinois (20) avec 10 médailles d'or, 11 médailles d'argent, 8 médailles de bronze.

Les médaillés et l'ensemble des délégations ont laissé éclater leur joie aux Arènes de Metz samedi soir lors de la cérémonie de clôture à l'issue de 3 jours intenses de compétition. Stress et concentration, rires et larmes, doute ou confiance, espoir et soulagement... les émotions

étaient à leur comble pour les quelque 400 compétiteurs, mais aussi les experts, les juges, les accompagnants, les familles venues parfois de très loin pour applaudir et encourager.

Pour certains, la médaille a ce petit goût de revanche sur la vie, pour d'autres c'est une victoire de plus, une étape, tant professionnelle que personnelle. Quant à Edwin, Océane ou Néo, arrivés juste au pied du podium, ils l'ont déjà décidé : ils retenteront l'aventure dans 4 ans pour défendre une fois encore les couleurs de la France, mais surtout leur talent et leur excellence !

« Finir sur la plus haute marche, je n'y croyais pas. Sur la scène, c'est la joie qui expulse mais en même temps on est perdu et déstabilisé avec tous ces regards pointés sur nous... Mais qu'est-ce que c'est bon ! Et puis revoir son nom réapparaître sur les écrans pour la médaille d'Excellence, c'est vraiment le Saint-Grail ! Mais le meilleur, c'est de voir les yeux de mon fils et mon épouse pétiller.

Ces deux médailles représentent une revanche sur la vie qui ne nous fait pas de cadeau. On montre au monde que même si nous sommes différents, on peut atteindre nos objectifs et même les dépasser ! »

Brice VIZLER, Médaille d'Or et médaille d'Excellence, Boulangerie

« Quelle belle réussite, un cocktail de plaisir, d'échanges, de partages, de talents et de compétences. Une joie partagée par toutes les délégations. On aurait l'envie de revivre un tel événement plus souvent. »

Noël ROGER, Président d'Abilympics France

« Un immense bravo à l'équipe de France Abilympics France qui a brillé pendant ces 3 jours de compétition internationale à Metz ! 29 candidats médaillés sur 43 lors de ces « Paralympiques des métiers », quel palmarès et quelle belle reconnaissance du savoir-faire et de l'excellence française à l'international »

Carole GRANDJEAN

Ministre déléguée de l'Enseignement et de la Formation professionnels

Association à but non lucratif née en 2011, Abilympics France a pour principale vocation de développer la participation des personnes handicapées aux compétitions de métiers en France et à l'international. Elle a emprunté son nom au mouvement dont elle fait partie, régi par l'IAF (International Abilympics Federation).

Le concept des Abilympics (contraction de l'anglais Abilities et Olympics) est né au Japon, s'inspirant du modèle de la compétition de métiers WorldSkills mixé à celui des Jeux Paralympiques. La 1ère compétition a eu lieu à Tokyo en 1981. 4 ans plus tard naissait l'IAF, International Abilympics Federation, pour promouvoir et pérenniser la démarche Abilympics dans le monde.

Les dates : 1981 : Japon - 1985 : Colombie - 1989 : Hong Kong - 1995 : Australie - 2000 : République Tchèque - 2003 : Inde - 2007 : Japon - 2011 : Corée - 2016 : France - 2023 : France.

La dernière édition s'est tenue à Bordeaux en mars 2016. Elle a rassemblé 465 candidats, 31 pays, 50 000 visiteurs.

Depuis 2013, l'association Abilympics France siège au comité exécutif de l'IAF. En ce sens, elle souhaite :

- participer au développement et à la structuration de la Fédération,
- favoriser la participation de nouveaux pays au mouvement Abilympics International,
- créer un mouvement Abilympics Europe et une compétition à l'échelon européen.
